Issue 2

Vol.1

March 2009

Nor Cal Motion Target's tournament held at *Badger Johns* is over. We had eleven shooters compete. While the turnout was not what we had hoped for, I believe all shooters and spectators had a good time. There was some excellent shooting all the way to the end. Because of the lower turnout we put all the entry fees back into the prize pool. Here's how they finished:

- Chuck Hicks from Shasta Mountain Archers finished 1ST with a combined score of 106. He took home \$250.00 in gift card and cash and a game processing kit.
- Shaun Ayers from Yolo Bowmen finished 2nd with a score of 98. He took home \$100.00 in gift card and cash.
- Tim Solari from Kings Mountain Archers finished 3rd with a score of 96. He took home \$50.00 in cash.

Nor Cal Motion Targets also gave away a Winners Choice string and cable set to the highest single score of the day. Shaun Ayers was the winner with a score of 58.

The winners also received a gift certificate for 4 free rounds of pop ups at any event that we attend and a *Nor Cal Motion Target* tee shirt.

Thanks to all that attended our first tournament and special thanks to John of *Badger Johns* for the use of the store.

Nor Cal Motion Targets will be at the following clubs. Please visit our website for dates if you are interested in shooting pop ups.

Yolo Bowman

Maya Archers

Diablo Bowmen

Straight Arrow Bowhunters

Lodi Bowmen

Paradise Bowhunters

King Mountain Archers

We will be at the *Western Trail Classic* in May and holding a HSO tournament for great prizes. HSO is the *Hunting Simulation Organization*. They hold tournaments throughout the U.S. similar to the Buckmasters Top Bow Challenge. You must be a member of HSO to shoot the tournament. There will be a money class and a trophy class as long as there are people interested. If you are not interested in the tournament we will still be running pop ups on a per round basis for anyone who wants to shoot. You can find more info on HSO on the sponsor page of our website www.norcalmotiontargets.com and a flyer by clicking on *Western Trail Classic*

Another event that we are really looking forward to is the *Kings Mountain Archers 3D and Pop ups* in the Redwoods where we will be incorporated into the days tournament. I will have more on this in the next newsletter.

Finally *Nor Cal Motion Targets* is looking for suggestions. Is there anything you would like to see from us? Prizes, tournaments etc. Email us your ideas at norcalmotiontarget@sbcglobal.net

Again thanks to all who attended the tournament and we hope to see you soon.
