Issue III

Vol. I

May 2009

We are off to Redding for the largest shoot of the year. If you haven't been to the Western Trail Classic you should try and make it. This is a great 3 day shoot. This year Nor Cal Motion Targets is hosting an HSO shoot. (If you are not familiar with HSO visit our website and go to the sponsor page). This will be held from Thursday through Saturday, with the finals on Saturday night. This shoot will be for money and trophies, keep in mind you must be an HSO member to qualify. There also will be a drawing for a Spot Hogg site. HSO members who shoot the running Purple Hog and score a 10 or 12 will have their name put in a drawing for the sight. If you are not a HSO member or don't want to become one don't worry we will still be running and giving away prizes for high score. Make sure you bring your hunting bow

On May 15-16 we will be in attendance at the Diablo Bowmen's Red Devil shoot. This is a fun shoot so come out and join the fun.

Another event we have coming up is the Kings Mountain Archers 3 D and Pop Ups in The Redwoods, Nor Cal Motion Targets has been looking forward to this for a while. This is going to be a great shoot on June 21st With your entry fee for the day you will get 2 rounds of the Pop ups that will count with your final score for the day. Make sure you have at least 5 arrows for your rounds at the pop ups. This is going to be a lot of fun and we look forward to seeing you all there.

Now for those of you who missed the Badger John's tournament in February we have good news. We are hosting another one on July 11, 2009. This will be indoors and marked yardages again. As before there will be a 50/50 split with payouts in gift cards and cash.

Although the turnout was low last time all that attended had a good time and we are looking for a much larger crowd this time around, so please pre-register. Entry form can be found on our website www.norcalmotiontargets.com We will also have entry forms at all events we attend up to the time of the shoot.
